Factory Shift: We are busy moving to a new location where we will build a new purpose built factory.

There have been a few disruptions with supplies due to this but we hope to be back on stream soon from a temporary facility during the interim period. Communication channels remain the same:

KnK RACING

ENGLAND – With the season starting Jake Mayes KnK cadet driver has now grown into the junior category. Jake is very excited about his first year as a junior and decided to check out his new KnK kart. Even though it snowed!!

Jake looks set to make a mark in juniors as he did with cadets.

AUSTRALIA – We welcome Monica Saunders the new Championsway Race Team member to KnK Racing.

Monica has a proven track record with many wins in Clubman Light and will race the KnK JL302. We are sure we will see many more pictures of Monica on the winner's podium in the near future. Monica races every weekend in Australia.

SRI LANKA – KnK Karts Sri Lanka have two drivers racing in the Asia Zone of the Rotax Max Challenge. Rikaaz Khalid raced in Rotax senior Asia Max in 2007. Romani de Silva will be racing in the Asia Max series for the first time.

The first round will be on April 6th at Kota Bharu, Malaysia. Welcome to KnK.

From Karts 'n' Kitcars, we wish all KnK drivers the very best in 2008.

Until next time then, thank you for reading with me, we will talk some more soon!
